Herman Ware Completes Assessment!

Herman Ware, a veteran church planter, has completed the entire NCDT assessment process and along with his wife Betty is beginning to raise salary support. They feel called and plan to start a new cross-cultural church on the West side of Chicago. The New Church Development Team is making arrangements for a fund raising coach and church planting coach for Herman. NCDT will be releasing a work fund grant to begin the project as soon as the final plan and budget are approved.

Give praise and thanks to God for His great provision in bringing Herman and Betty to us. Please pray that the Holy Spirit would work in the hearts of many in our District to create a willingness to support their work by generously giving the financial support needed for the Ware's salary and benefits, as they start this new mission. Pray also for the hearts of those God wishes to reach through their ministry.

Kurt Kelley Interns At New Beginnings Fellowship

Kurt Kelley has accepted the position of Church Planting Intern at New Beginnings Fellowship in Batavia. Kurt has completed his BA in ministry at Palm Beach Atlantic University in Florida. He responded to our advertisement for church planters and has completed a portion of the assessment process. His work at New Beginnings will afford him the opportunity to be involved in hands on experiences that will better prepare him for the work of planting a new church. A part of his training at New Beginnings will involve participation in the start up of a new worship service called "The Element".

After Kurt has completed his internship and the balance of the assessment process, it is the intention of New Beginnings to help Kurt launch a new church start. Please keep Kurt and New Beginnings Fellowship in your prayers.

Continue to Pray for Benjamin and Dawn Amankwaa

Benjamin and Dawn have completed three quarters of the assessment process for church planting. We are praying that they will be able to complete the final phase in October. They are currently working through the difficult process to obtain a visa for Benjamin to live in the USA. Dawn is a US citizen with family in Florida.

This couple has vast experience in ministry development including church planting. They have a heart to plant a cross cultural church and have been praying about the possibility of doing so in Wisconsin. Please pray that provision would be made for the visa process to be completed quickly. Pray that the mission field would be prepared through the work of the Holy Spirit to receive their ministry.

Pray for those discerning God's call.

Become of part of God's work in Chicago & Northern Wisconsin.

NCDT provides the necessary work funds for rent, utilities, equipment, marketing, etc., to start a new project. Our planter's salary support must be raised through the faithful donations of individuals, in our district. Individuals like you who desire to see God's Kingdom grow to reach more people through planting New Church of the Brethren Churches.

You can be a part these new mission projects by providing monthly financial assistance or a special gift for the support of our planters. It is very simple to do.

Mail your support in the form of a check to the New Church Development Team and mark in the memo the project you wish to support. Or go to www.ncdb.org and make your contribution on line.
